

## **seca 700** – mechanical column scale with integrated measuring rod

Precise, robust and convenient: both you and your patients will benefit more from the new seca 700. It sets a new standard worldwide. More precision due to the 0.1 lb graduation and a higher capacity of up to 500 lbs. More comfort due to the very flat, large platform and the eye-level beam. The seca 700 is available in three versions: kilograms, pounds and kilograms/pounds. The included measuring rod with a range from 24 – 78" facilitates time-saving measuring and weighing in one step. Equipped with integrated transport castors for mobile and flexible use.

### **Column scale:**

- Capacity: 500 lbs / 220 kg or 400 lbs / 180 kg
- Graduation: 0.1 lb / 50 g or 0.2 lb / 40 g

### **Measuring rod:**

- Measuring range: 24 – 78" / 60 – 200 cm
- Graduation: 1/8" / 1 mm
